

Statement of Belief on Biblical Orthodox Sexuality

We believe that God created mankind as male or female and that these two distinct complementary genders together reflect the image and nature of God.

“So God created man in his own image, in the image of God he created him; male and female he created them.” Gen 1:27

We believe that God created marriage to be exclusively the union of one man and one woman, and that intimate sexual activity is to occur exclusively within that union. We believe that any form of sexual intimacy outside of the marriage covenant is a violation of God’s intended will and purpose for mankind.

We believe that in order to preserve the function and integrity of HeartSync Ministries and to provide a biblical role model to the Body of Christ and the community at large, it is imperative that all persons of HeartSync Ministries who serve as Board members, Regional Directors, Certified Ministers, Leaders or Trainers, Qualified Facilitators, or prayer ministers, agree to and abide by this Statement of Belief on marriage, gender and sexuality.

We believe that every person must be afforded compassion, love, kindness, respect and dignity. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the teachings of HeartSync Ministries.

I acknowledge that I have read and agree with the above Statement of Belief and understand that it represents the foundation upon which HeartSync Ministries is based.
